Wellness Checklist for Incoming College Students

Establish healthy habits

- Schedule physical activity, healthy eating and stress reduction like you schedule your classes
- Learn the location of fitness centers, dining halls with healthy options and the student health center

Find local health care

 Get connected to a primary care provider and a pharmacy

Make your mental health a priority

- Start making friends
- Get involved in campus organizations that interest you
- Seek professional help immediately if you feel overwhelmed

Find a system that works for you

• Use a planner or an app to stay organized and proactive about your health and well-being
